

## Evaluating websites

### Luxury In The New Range Rover

Before anything, I choose this topic because really I want to know more information about the new Range Rover Luxury. And that because many people considered this car has the best options of the luxury between four wheels drives cars. I have selected some websites which it speak about Luxury in the Range Rover .In addition I found many websites speak about the luxury and some other information about this car. I have developed my own set of criteria of evaluating websites. Finally I have ranked the sits according to these criteria.

#### **Here are some web pages that were relevant to my topic and with their Evaluating:**

1. [http://www.richmondautomall.com/reviews\\_columns/reviews/2002\\_RangeRover%5Bprint%5D.htm](http://www.richmondautomall.com/reviews_columns/reviews/2002_RangeRover%5Bprint%5D.htm)

(<http://tinyurl.com/2nacy>) 72%

The information in this website it is accurate, because I have read it and it seems accurate to me and I find the answer to my research question is here in this website. The information is presents facts with little analysis or criticism and you can connect with the author by his home page. Also some kind of institution, looks real but not sure and the domain of this website it's (com) which main it is not so good. The text is easy to read and presentation is clear expression, no mistakes also the graphics helpful illustrations, fast loading but there are no references and commercials, ads or pop-ops. Moreover this site it is free.

2. [http://www.landrover.com/gb/en/Products/Range\\_Rover/The\\_Models/Overview.htm](http://www.landrover.com/gb/en/Products/Range_Rover/The_Models/Overview.htm)
