

Wild fire in California

Why I choose this title?

As we know wildfire in California is one of the biggest problems in the world. And I can find a lot of information about it.

- <http://www.laspilitas.com/easy/easyfire.htm> Rating 70

Here in this website it is relevant to my topic it includes pictures, and has some links that work. The site opens quickly and you can browse easily and with out subscribing, good text layout pages but isn't well not organized, isn't update, less in information and the domain name (.com)

- http://www.findarticles.com/cf_dls/m1016/2_107/78399983/p1/article.jhtml Rating 78(good website but with out picture)

Here in this website as we can see it almost relevant to my topic, has some links, opens quickly, easy to browse, good text layout pages, well organize. But not up to date and it hasn't pictures

- <http://www.cbsnews.com/stories/2003/07/04/national/main561806.shtml> Rating 86

Here in this web site you can find what you want full information, nice picture, clear text absolutely relevant to my topic. It opens quickly, easy to browse, up to date and has many relevant links

summary. The best sites to help you in your project.

<u>Site</u>	<u>rating</u>	<u>Evaluation overview</u>	<u>Useable?</u>
http://www.cbsnews.com/stories/2003/07/04/national/main561806.shtml	86	The best website	Yes
http://www.findarticles.com/cf_dls/m1016/2_107/78399983/p1/article.jhtml	78	This quite good but with out pictures	Maybe
http://www.laspilitas.com/easy/easyfire.htm	70	This site is good but it not organize	No
